

BATTLECAKES™

BattleCakes is a snack-sized RPG made especially for turn-based adventure fans of all ages. Players who are hungry for a casual yet satisfying fantasy game experience will find a perfect blend of action, humor and magic that pays tribute to classic RPG titles and popular narrative driven games alike.

A whole new flavor of hero.

Leap into a world of epic sweetness, and discover the destiny of a reluctant cupcake hero that *you* create! Whip up a frosting style and color palette that brings them to life, and get ready to explore Pasteleria; an enchanted kingdom that's chock full of magic and mystery. Who are the legendary BattleCakes, and do you have the right stuff to join their storied ranks? Of course you do. High five!

Friend or Foe? You Decide!

Settle things with an old-fashioned walloping, or make some new friends! BattleCakes invites players of all ages to "save the day your way" by battling or befriendng enemies with whimsical skills and abilities. Is that Flanpire giving you grief? Try a different cake topper. Make the right choices, and victory is literally a piece of cake! Can a karaoke jam save the world? We like to think so.

Sweetest. Road Trip. Ever.

Sure, there's random encounters. But there's a ton of other stuff to see and do along the road to adventure. There's Jellyroll Cats to pet, Cake Toppers to collect and more! Visit shops to stock up on supplies, or spring for a brand-new frosting style to slather on your noggin. Half the fun of a trip is getting there and *is that a claw machine?!*
